- Strategic & Operational Analysis
- Financial Modeling, FP&A and Variance Reporting
- FOIA Process & Records Management
- Stakeholder Engagement & Executive Briefings

DIFFERENTIATORS

- Founder-led — senior attention on every engagement
- 30+ years combined federal and Fortune-500 experience
- Active **Top Secret** clearance on staff
- PMP and MBA leadership across program and finance functions
- Proven on contracts with Leidos, SAIC, Cathexis, and prime integrators
- Boutique agility with enterprise-grade rigor

REPRESENTATIVE PAST PERFORMANCE

DCSA — One IT Program (via SAIC): Program management, schedule control, budget execution, and compliance monitoring across IT initiatives.

FAA — Spectrum Engineering & TBFM (via Leidos): Acquisition support, CDRL tracking, PR/PO formulation in PRISM, and financial reporting on awarded task orders.

FAA — Office of Finance & FOIA (via Cathexis): Standard operating procedures, data steward research, and stakeholder briefings.

DHS — Acquisition & Program Support: Acquisition lifecycle support, program controls, and stakeholder reporting across mission-critical DHS initiatives.

Oracle: Modeled and executed \$100M+ product development operating budget; deployed Portfolio Management Tool for headcount and OPEX forecasting.

Fannie Mae & Freddie Mac: Enterprise FP&A, executive reporting, and quarterly 10K/10Q support across multifamily and single-family portfolios.
